Wayne County Sheriff Mark Steelman has announced that his office can now accept License to Carry applications on-line. The Sheriff's Office has collaborated with Permittium to offer the on-line-service. The \$20 permit fee can be paid on line, in addition Permittium charges and additional \$5.00 for the process.

Fist time applicants or renewal applicants, who choose to apply on-line, can start their application on the Sheriff's Office web page at: <http://waynecountypa.gov/509/License-to-Carry-Information-Application>. When the application is received, a background investigation will be initiated and completed within 45 days. Applicants can choose to receive a text, email, or automated phone call when their application process is complete. If you have been approved you need to come to the office with proper identification, have a photo taken, and then you will be issued your license.

Applications will still be accept by anyone who wants to apply in person at the Sheriff's Office. If you have any question about the License to Carry process you can contact the office at 570-253-2641.
