NOTICE

The Privacy Act of 1974, 5 USC 552 A Note, PL 93-579 (S 3148) declares in section 7 (A)

(1):It shall be unlawful for any Federal, State or Local Government Agency to deny to any individual any right, benefit, or privilege provided by Law because of such individual's refusal to disclose his Social Security Account Number.

(B): Any Federal, State or Local Government Agency which requires an individual to disclose his or her Social Security Account Number shall inform that individual whether that disclosure is mandatory or voluntary, by what statutory or other authority such number is solicited, and what uses will be made of it, 5 ASC 522 A Note.

The Sheriff of Wayne County is requesting your Social Security Number. Your disclosure of that Social Security Number is purely **VOLUNTARY**.

The request for your Social Security Number and the use of the Social Security Number is Pursuant to Pennsylvania's Uniform Firearms Act, 18 Pa. C.S.A. Section 6101 et, Seq. Your Social Security Number would be used on the License to Carry Firearms Application that is prepared by the Pennsylvania State Police. The Pennsylvania State Police will use your Social Security Number in it's record system to determine and to trace whether or not you have a criminal history or other reasons which would prevent you from carrying a concealed weapon. You further would be required to carry the license on you and will be required to display the license to Law Enforcement Officers upon their demand, pursuant to Pa C.S.A. 6106.

The Office of Sheriff of Wayne County does **NOT** require you to furnish your Social Security Number. However, your failure to provide this Social Security Number for use by the Pennsylvania State Police may result in a refusal by them to do a criminal history search, as mandated by the License to Carry Firearms Act 18 Pa. C.S.A. 6101 et Seq., or may take a much longer time for them to process your application. The choice is yours.
