Please Also Be Advised:

- **Statutory Fees:** If a separate statute authorizes an agency to charge a set amount for a certain type of record, the agency may charge no more than that statutory amount. For example, a Recorder of Deeds may charge a copy fee of 50 cents per uncertified page and \$1.50 per certified page under 42 P.S. at 21051.
- **Inspection of Redacted Records:** If a requester wishes to inspect rather than receive a copy of a record and the record contains both public and non-public information, the County shall redact the non-public information. The County will not charge the requester for the redaction. However, the County may charge for the copies it must make of the redacted material in order for the requester to view the public record. The fee structure outlined above will apply. If, after inspecting the records, the requester chooses to obtain the copies, no additional fee will be charged.
- **Prepayment:** Prior to granting a request for access in accordance with this Act, Wayne County may require a requester to prepay an estimate of the fees authorized under this section if the fees required to fulfill the request are expected to exceed \$100.
 - Once the request is fulfilled and prepared for release, the Office of Open Records requests that the requester present the cost of the records prior to releasing the records.
