## Inmate Programs Fund Expenditures-

Inmate Programs Account Balance on December 31<sup>st</sup> was \$82,407.21.

A motion was made by Commissioner Cramer, seconded by District Attorney Howell and unanimous to accept the Warden's report.

## Public Comment

There was no public comment, as no one from the general public attended.

A motion was made by Commissioner Smith, seconded by Commissioner Cramer and unanimous to recess into an executive session on personnel, litigation and contracts.

The Prison Board meeting resumed.

Old Business

The Warden noted that the Susquehanna County boarding number is down significantly and he is not sure why. Berks County currently has no juveniles charged as adults at the Wayne County facility.

The Chief Clerk gave an update on the expired union contract. He noted the contract is currently in the hands of the union. He said that for now, the prison is under the terms of the old agreement.

New Business

The Warden noted the 2025 Prison Inspection Report was received with a 100% rating. Treasurer Field praised the Warden and his staff, as did the rest of the Prison Board.

The bunk bed installation was discussed. The Warden said that welders from the County were hired to mount and install the bunk beds that were purchased from Susquehanna County Prison and the last ones were being installed today. There was a discussion about the cost to pay for the fabricators to install the bunk beds. Joshua Korty is doing the work for a cost of about \$6,600. The Prison Board agreed to this amount even though it was not budgeted. The Prison Board then went on a tour to see the installed beds.

A motion was made by Commissioner Smith, seconded by Commissioner Field and unanimous to adjourn.
