September is Senior Center Month! More than 1000 senior centers across the country are *flipping the script* on aging by creating inclusive, engaging spaces where older adults thrive. Through the years, senior centers have continually evolved to meet the changing needs of older adults and their communities. To recognize Senior Center Month, Wayne County Senior Centers will be hosting a “Free Day,” where **first time** visitors, after filling out a brief membership form, can see all we have to offer. Lunch and transportation, if needed, are free with advance reservations. Call your center of choice to register!

Join The Fun

THE PENN STATE EXCHANGE - Cooking with Diabetes

Many of us need guidance as we live with diabetes. We don’t often know how to make the most out of the meals we consume, believing healthier foods don’t provide the flavor and satisfaction we crave. Thank goodness for the Penn State Extension for providing classes during the month of August to help us understand the whys of this disease and how to enjoy meals while managing prediabetes and diabetes. Twelve members took advantage of the 5-week course. All of us are grateful for Christina Pulman, the program leader, and Becky Smith, the nutritionist, for providing a very informational and educational opportunity.

Spotlight on US!

This month's recipient for the staff spotlight is **Kim McGinnis**. She is an Administrative Assistant at the Aging Office and has worked here since 2018.

Here are some things her co-workers have to say about her:

"She is willing to help everyone, always smiling & spreading positivity!"

"She's a great asset to the organization & works for all of us in one way or another."

"She does so much for the community & for the staff. From Wayne County Food Pantry, to handling donations, to letting us know when the meter man is on the hunt...she always has a smile & something funny to say."

"Kim genuinely cares about everyone she deals with and does so with warmth, laughter, & humility. She knows *at least* a little about how everything in the building runs & gets things done while making it all look easy!"

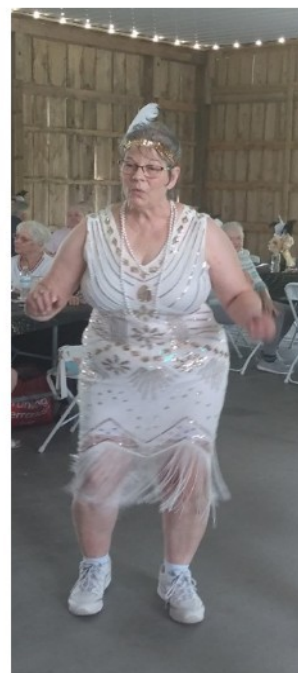

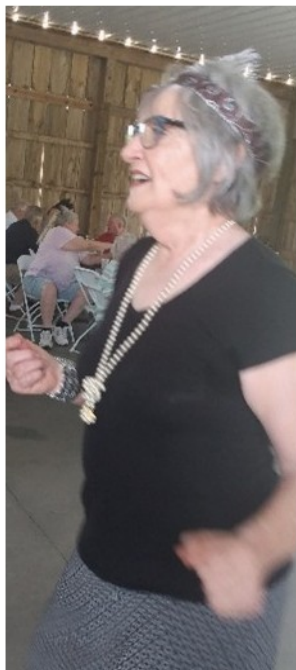

Complimentary Supplies for the Community

The Honesdale Senior Center often receives generous donations of gently used walkers, canes, wheelchairs, shower benches, and other supplies and equipment. In addition, we have adult protective undergarments available to ensure comfort and dignity for those who require them. Our mission is to assist you in maintaining your independence and improving your quality of life. If you are in need of any of these items, please don't hesitate to ask a member of our dedicated Senior Center staff if we have what you need. We are here to help and would be honored to provide support in any way we can.

Self-Care Isn't Selfish: It's Survival

As we age, we often spend more time caring for others- grandchildren, partners, friends, neighbors. But too often, we forget someone very important: *ourselves*.

At VIP, we work with many people who are navigating difficult life experiences- grief, loss, trauma, or even abuse or neglect. One thing we always remind survivors is that **self-care is not a luxury. It's a necessity.** It's how we refill our emotional and physical tank so we can keep going, keep healing, and keep showing up for the people and things we love.

Self-care doesn't have to be expensive or complicated. It can be as simple as:

- Saying *no* to something that drains your energy.
- Taking a daily walk or stretching your body gently.
- Making time for a phone call with someone who lifts your spirits.
- Sitting outside with a cup of tea and listening to the birds.

Talking to someone you trust when you're feeling overwhelmed.

And if you've experienced harm or violence, recently or long ago, self-care might also look like reaching out for support. Healing is possible at *any* age, and you deserve to be safe, respected, and heard.

If you or someone you know is dealing with abuse, neglect, or trauma, our team is here to help. We offer free and confidential support, and we believe in the strength and wisdom of survivors.

Take care of yourself- you're worth it.

Call VIP at 570-253-4401 or visit www.vipempowers.org to learn more.

Cultivating a Vibrant Future

www.WayneTomorrow.com

Over the course of 50 years our Wayne County Transportation System has grown from one station wagon to a fleet of vehicles that services our county. Last year, we were able to provide over 60,000 trips for our residents.

As our fleet of vehicles has grown, so has our need to provide proper storage for them. Wayne County Transportation Director Carl Albright was happy to announce this solution: “The Pennsylvania Department of Transportation has recognized the work we are doing here and has offered Wayne County a grant that would fund the construction of a new garage, administration building and rinse area. The total cost of the project will be provided by the Commonwealth of PA.”

We are excited to see this project come to fruition. It will provide shelter, allowing our fleet to stay in it’s best condition, while also providing a centralized location for all transportation administration, allowing the process to be more streamlined and even more efficient than ever before.

The future is very bright for public transportation in Wayne County. All residents are welcome to use transportation services. There are subsidies for our elderly population as well as those with disabilities. To register or for more information scan the QR code above or call 570-253-4280.
