**The Heart of the Season:**  
*Connection, Joy, and Reflection*

The holiday season is more than decorations and gifts. It's a time to reflect on what truly matters: connection, joy, and simple moments that bring meaning to our lives. For most of us, it's a chance to pause, appreciate relationships, and nurture both our own well-being and that of those around us.

Connection is everything. Spending time with family, friends, neighbors, even attending a community event can foster a sense of belonging and purpose. Simple acts of kindness can brighten someone else's day while lifting your own spirit.

Joy doesn't have to come from grand gestures. Small, intentional moments can make the season meaningful: listening to music, baking a favorite recipe, sharing memories, or taking time to appreciate the beauty of the season. These mindful practices help us savor the present and cultivate gratitude.

Reflection allows us to honor the year behind us and envision the year ahead. It's a chance to celebrate accomplishments, acknowledge challenges, and focus on personal growth and resilience.

Remember, none of this is possible without YOU. Prioritize rest, embrace moments of calm, and reach out if life feels overwhelming. By nurturing your own well-being, you're better able to care for those around you.

As 2025 comes to a close, we want to remind everyone that hope, healing, and community are always within reach, and no one must face the season alone. If safety or trauma is a concern for you or someone you know, support is always available. Contact VIP at 570-253-4401 or visit [vipempowers.org](http://vipempowers.org) for confidential services and information.

## **Tax-Aide Program Needs Volunteers to Help Taxpayers**

Tax filing season may be months away, but the Pike/Wayne AARP Foundation Tax-Aide District is already seeking volunteers who want to serve their community. Tax-Aide provides free tax preparation services with a focus on serving older adults living with low to moderate income and helps them secure much-needed tax refunds. AARP membership is not required.

Volunteers are trained through a combination of self-study and classroom sessions. The classroom sessions will be held in January. The amount of training required depends on the position.

During tax filing season, February through April, volunteers assist taxpayers with tax preparation as well as greeting taxpayers and assisting them in organizing their tax documents. Volunteers can work anywhere from one to three days per week.

If you would like more information on this rewarding volunteer opportunity, please contact District Coordinator Debra Croston at [debra.croston@gmail.com](mailto:debra.croston@gmail.com). If you are interested in volunteering, please complete the volunteer application at <https://www.aarpfoundation.org/taxaidevolunteer>

We are looking for volunteers to help those in our community, who need it most, receive the income tax refunds they deserve. You can help.

To become a volunteer visit:  
[www.aarp.org/taxaide](http://www.aarp.org/taxaide)

You do not need to have an AARP Membership to volunteer

## **Wayne County Transportation System's Consumers:**

- If the schools are closed for inclement weather which affects roads and travel, the Senior Centers, Home Delivered Meals and County Transportation System will not operate.
- Wayne Highlands School District: ALL Centers closed.
- Western Wayne School District only: Hamlin Center closed.
- Wallenpaupack School District only: Hawley Center & Adult Day program closed.
- If the schools are closed for other reasons (i.e. power outages), a determination will be made if the Centers, Home Delivered Meals and Transportation will operate. This will be announced on local radio (Bold Gold Media), TV (WBRE) and the County website ([www.waynecountypa.gov](http://www.waynecountypa.gov)) as early in the morning as possible, no later than 7:00 a.m.
- If the schools have a delay for inclement weather, the Senior Centers and Home Delivered Meals will work a normal schedule with no delay. Transportation will attempt to run as close to schedule as possible.
- PLEASE NOTE: The only time the offices will close is when the Courthouse closes. Transportation may cancel your ride if the local roads are not plowed or safe to transport – even if the department is open/operating during inclement weather or questionable road conditions. A determination will be made on a case by case basis. \*Early closing of schools will be considered on a case by case basis.\*

### First Annual *AgroLegacy* Dinner was a hit!

Chef Evan Munley of Munley Made Meals had the idea of supporting Wayne County's AgroLegacy brand by hosting a pop-up dinner. It wasn't just any dinner that he had in mind. His idea was to serve a high end, 7-course meal to a small, select group of diners. Each course featured items that were sourced from our 30 certified AgroLegacy farms. The event was held at the kitchen of 6th & River in Honesdale on November 8th. The courses were a work of art to look at as well as a delight to the taste buds. Each course expertly paired with wine from Three Hammers Winery. The menu consisted of pesto crusted lamb lollipops with honey roasted baby carrots, butternut squash soup with bacon and whipped ricotta, house-made gnocchi with sauteed rabbit, chicken roulade over goat cheese polenta, pan seared beef sirloin with dutchess potatoes and for those that still had room, apple pie with crème anglaise for dessert. The courses were spaced out with precision over a 2 and a half hour time period allowing time to fully enjoy each course. It was more than a meal, it was an experience that any foodie would fully appreciate.

What will Chef Evan dream up for the next pop-up dinner?
