American Rescue Plan – Municipal Matching Grant Funding Project

July 2022 Announcement

Wayne County will grant up to a maximum of \$ 30,000 to each Borough and Township in Wayne County from American Rescue Plan funds to assist the municipality with an infrastructure project.

An Infrastructure project is defined as follows:

- a) An investment in roadway/intersection improvements (not regular maintenance) that involves avoidance of future deterioration/damage from storm water and/or an improvement to a road or intersection for a community or economic development project
- b) Investment/Upgrade in water, sewer or broadband services to residents
- c) Investment/Upgrade to accommodate public service expansion or use of public buildings
- d) Recreation complex/land development or upgrades to existing recreation inventory
- e) Professional service contracts to address any needed planning updates or studies related to any of the above outlined uses.

The municipality should provide a letter of request that includes a detailed description of the project, a verified cost estimate, the amount of funds that would be invested by the municipality through ARP fund, general fund and/or grants or loans. A specific dollar amount request should also be included.

The request should be signed by a representative of the governing body and the secretary and sent to Vicky Botjer, CFO, Wayne County, 925 Court Street, Honesdale, PA 18431 or vbotjer@waynecountypa.gov.

Rolling application period – August 1, 2022 through June 30, 2023

Approved funds will be disbursed upon presentation of an invoice or other proof of financial encumbrance by the municipality. An after action report with details of success of the project and the impact made upon the community should be submitted to the county within 60 days of project completion.
