

CLINTON TOWNSHIP PLANNING COMMISSION

August 3, 2023

The regularly scheduled meeting of the Clinton Township Planning Commission was held on Thursday, August 3, 2023 at the Clinton Township Municipal Building in Aldenville, Pa.

The following members were present: Brandon Cole(chairman), Matt Tomazic(vice-chair), Joe Franceski(secretary), Rich Martzen, Ron Poska and Brad Bates.

Absent: Brian Non.

The meeting was called to order at 7pm by Brandon Cole.

The Pledge of Alligiance was recited.

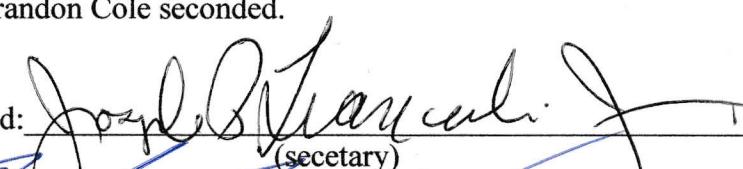

Joe Burget Jr. presented revised drawing reflecting changes as suggested by the Wayne County Dept. of Planning. An addition to these drawings ask for a "Alteration of Requirements (Waivers)" to Section 907.1 to allow Buffer Planting within the Front Yard setback. Other language addressing this buffer may also be added to these drawings. The proposed "buffer" will consist of Juniper trees at an unknown height, but should reach 6 ft. in height within 3 years.

Being that these drawings could not be "stamped", and a special meeting could not be arranged in time for the next supervisors meeting, Brandon Cole made a motion that we vote on a "Recommended for Final Approval" action which will be held over until our September meeting and then presented to the supervisors at their September meeting.

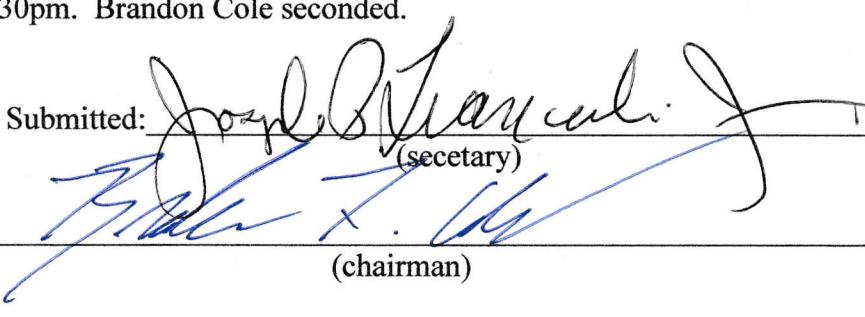

Matt Tomazic seconded this motion.

Adjournment: With no further actions required, Rich Martzen made a motion to adjourn at 7:30pm. Brandon Cole seconded.
