### **Minutes:**

The minutes of the July 6, 2017 meeting were accepted with approval by all members and posted for audience review.

### **RE-ORGANIZATION MEETING:**

The first order of business was to elect positions and meeting dates for the 2018 calendar year. All members currently holding positions agreed to continue to serve in their existing capacity. Meeting location, time and day will also continue to be the same.

### **Modules and Sub-divisions:**

Ed Harsch presented drawings for the Tom and Kelly White sub-division #2018-01. It was noted that the deed states the original piece as parcel 9, whereas the original sub-division calls this out as parcel 8. Rich Martzen made a motion to forward this sub-division on to the County for their review. Brandon Cole seconded. Brandon will deliver this package to the County.

Ed Harsch then presented drawings for the William Rinker sub-division #2018-02 which involved a 6-lot lot line adjustment. After some discussion about the appropriate charges for both the County and the Township, Joe Franceski made a motion to accept the sub-division. Rich Martzen seconded.

### **New Business:**

Secretary Franceski read a letter from the Supervisors asking the Planning Commission for their assistance in seeking grant money and identifying needs of the Township that should be addressed.
