### Minutes:

The minutes of the February 1, 2018 meeting were accepted with approval by all members and posted for audience review.

### Modules and Sub-divisions:

Gary Flood presented the Frank & Barbara Piotrowski sub-division #2018-03. After reviewing the drawings along with the lot layout presented, Mr. Flood stated that he would rework the lot layout to present a better actual deed description and deliver it to Rich Martzen so that it could be forwarded to Wayne County. Joe Franceski made the motion to accept the drawings. Rich Martzen seconded.

Next, Ed Harsch presented the Marie Ann Torquati sub-division #2018-04. After reviewing the drawings and the "deed description", Rich Martzen made a motion to accept the drawings and to forward them to Wayne County. Dave Hauenstein seconded.

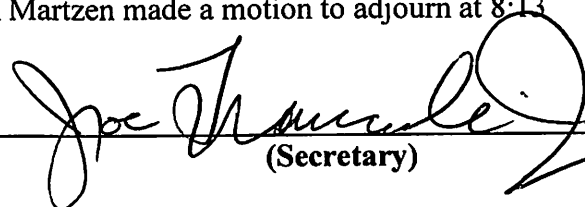

Ed Harsch also represented the Patrick T. Farley sub-division #2018-05. It was noted that there was a name correction needed on this drawing with regard to "T.M. 241 Pcl.29.2". The Planning Commission felt that this was too small of an issue to delay its submission. Therefore, Rich Martzen made a motion to accept the drawings and to forward them to Wayne County. Joe Franceski seconded.

Rich Martzen stated that he would get all sub-division packs to Brandon Cole to deliver to Wayne County.

### Adjournment:

With no further business to attend to, Rich Martzen made a motion to adjourn at 8:13 p.m. Joe Franceski seconded.
